"Troubleshoot's staff have that very rare combination of being exceptionally well qualified computer professionals who are also very pleasant to work with. I highly recommend their services."

DOUG BEND  
SAN FRANCISCO, CA

"Professional, fast and knowledgeable. They worked on multiple computers for me, all the systems are noticeably faster. They also solved issues that other techs said were unrepairable."

TIM CARTER  
OAKLAND, CA

"Visits are prompt and cost effective. With multiple laptops and VPN connectivity to our New York office, they have always been available for remote and on site support at short notice."
